RE: Sufficiency Determination for PUD2021-0001 & CUP2021-0005 Legacy Lodge

Dear Hal,

Thank you for the Planned Unit Development Amendment and Conditional Use Permit applications submitted for the Legacy Lodge received on October 5, 2021. In accordance with the procedures set forth in the Teton County Land Development Regulations, I find the above referenced applications to be **Sufficient**. This determination was made on Tuesday, October 19, 2021.

A sufficiency determination does not constitute a formal review of the application. The next step in the application process is review of the applications by the Plan Review Committee. If I receive any comments, I will route them to you. I will then be in touch to schedule the hearings for both items.

If you have any questions or concerns regarding this application and the County review process, please feel free to contact me at (307) 733-3959 or via email at: cwindom@tetoncountywy.gov

Sincerely,
